

Welcome to Coastive Design.

Coastive Design is a website design & branding studio that specializes in creating personalized digital identities for small businesses and non-profits. Our goal is to break down the barriers of the digital world, and make the process of crafting personalized websites and branding simple and accessible.

Meet the founder

Veryna Schwuchow

Veryna Schwuchow is the founder and face behind Coastive Design. Located in the coastal town of White Rock BC, she has a passion for creating all things digital. With 4 years of experience as a digital creative, she holds a Bachelor's Degree in Business Administration and a Diploma in Digital Design from BCIT.
